CORONADO PUBLIC LIBRARY

CloudLibrary

Cloud Library is a new way to access the Library's E-book collection.

The first time you use the service from your phone or tablet, you'll need to follow the following steps:

1. Download the Cloud Library App from your App Store
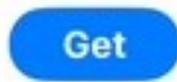

Apple products: **Android/Google:**

The app looks like this:
Press the "Get" Button to download the app.

CloudLibrary
browse, borrow a̶n̶d̶ ̶e̶njoy

Get

212K RATINGS	AGE	CHART	DEV
4.7 ★★★★★	4+ Years Old	#38 Books	

2. Open the app and select a language.

CloudLibrary™

Welcome

Let's get you connected with your local library! Please have your library card information available.

Tap the screen to continue.

🌐 Select Language

3. Enter the Country, State, and Library as seen on the right.
